

With this form, I fully accept the T-MEDNet data and publication policy. In particular:

- I apply for access to the data in order to perform the work described above.
- I commit not to use data for commercial applications.
- I commit to never redistribute data to any other person or institution.
- I commit to contact the providers of the required data in order to offer collaboration.

In case of any publication or communication using datasets or products obtained in the database:

- I commit to agree either on co-authorship or acknowledgement with the principal investigators of the Sites and Network.
- I commit to acknowledge the agencies which have funded the data collection.
- I commit to send the publication to the T-MDNet project using the address ([admin@t-mednet.org](mailto:admin@t-mednet.org)) as soon as it is submitted to a journal, conference or other organisation.

If I process a data set or product based on data received under the T-MEDNet data policy:

- I commit to inform the database managers.
- I accept that the processed data set or product may be disseminated under the T- MEDNet data and publication policy.
